

THE POWER OF
REDARC

SMART BATTERY MONITOR

UNRIVALLED POWER ACCURACY.

UNRIVALLED ACCURACY

Up to 5 times more accurate than the leading competitor. You can trust the Smart Battery Monitor to give you the right information when you need it most.

QUICK AND SIMPLE

Three connection points and our intuitive app get you monitoring in no time. Open the app with a single touch, and your battery details are right there.

ROCK-SOLID CONNECTION

The latest Bluetooth tech delivers reliability over 4 times the range and twice the transfer speed of leading competitors, keeping you connected anywhere at camp.

BUILT TO LAST

Our rigorous testing ensures that the Smart Battery Monitor won't let you down when the road gets rough. It's made in Australia so you know it'll go the distance.

REDVISION APP

The RedVision app delivers vital information to your fingertips including state of charge, charge remaining and current flow.

SMART BATTERY MONITOR

Introducing the REDARC Smart Battery Monitor - your solution for accurate and real-time battery level tracking. With state of charge, time remaining, and current flow at your fingertips, you can concentrate on the adventure ahead.

Stay connected, no matter where you are at camp, thanks to our cutting-edge Bluetooth connectivity that guarantees reliability over longer distances.

The RedVision app delivers effortless navigation and pinpoint accuracy with just a touch.

Installation is as quick as it is easy. With only three connection points and a user-friendly configuration app, you can start monitoring within minutes. A simple addition to any 12 volt power system, the Smart Battery Monitor is the easy choice for keeping track of your batteries.
